5:30 PM

HARVEY HEARING ROOM

RE: NATIONAL GRID-WR# 311116656-NORTH SIDEWALK MAIN ST.

MEMBERS

SUZANNE SWOPE, CHAIR
PAT COSTIGAN
JOE AIELLEO (Absent)

The Committee discussed the National Grid-WR#3111665656-North Sidewalk Main Street. Project. The attached states the project and the need to perform the work.

The committee voted to pass the motion to proceed with the project. They asked that it be expedited so it did not interfere with the beginning of school on August 27th. In summary the motion came out of Committee with a positive recommendation.

The Committee also discussed the need to place an audio signal at the intersection. The signal volume needs to be loud since the intersection is quite noisy. Also, once the light is mounted, the students, in particular, need to be aware that they cannot cross the street until the audio signal tells them to walk; since the green arrow allows cars to turn left, while the major light is red. This can be dangerous if students try to run across the street when the light turns red.

Respectfully submitted,
Suzanne Swope, Chair

Petition of the Massachusetts Electric Company d/b/a NATIONAL GRID
Of NORTH ANDOVER, MASSACHUSETTS
For Electric Conduit Location:

To the Town Council of Winthrop, Massachusetts

Respectfully represents the Massachusetts Electric Company d/b/a NATIONAL GRID of North Andover, Massachusetts, that it desires to construct a line of underground electric conduits, including the necessary sustaining and protecting fixtures, under and across the public way or ways hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it be granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as it may find necessary for the transmission of electricity, said underground conduits to be located substantially in accordance with the plan filed herewith marked – North Sidewalk of Main Street - Winthrop, Massachusetts.

The following are the streets and highways referred to:

WR# 31116656

North Sidewalk of Main Street - National Grid to install underground facilities on North Sidewalk of Main Street beginning at a point approximately 105 feet WNW of the centerline of the intersection of Winthrop Street and Main Street and continuing approximately 39 feet in an East direction. Installing +/- 39ft PVC conduit and 3-#6 cable to feed traffic signal cabinet for the town of Winthrop that will be located at Northeast corner of Winthrop Street and Main Street intersection coming from existing pole #844. All civil work will be done by town of Winthrop's general contractor dec corp. Winthrop, MA.

Location approximately as shown on plan attached.

Massachusetts Electric Company d/b/a

Dated: April 28, 2025

ORDERED:

Notice having been given and public hearing held, as provided by law, that the Massachusetts Electric Company d/b/a NATIONAL GRID be and it is hereby granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, and to make the necessary house connections along said extensions, as requested in petition with said company dated the 24th day of April, 2025.

Said underground electric conduits shall be located substantially in accordance with the plan filed herewith marked – North sidewalk of Main Street - Winthrop, Massachusetts.

The following are the public ways or part of ways along which the underground electric conduits above referred to may be laid:

WR# 31116656

North Sidewalk of Main Street - National Grid to install underground facilities on North Sidewalk of Main Street beginning at a point approximately 105 feet WNW of the centerline of the intersection of Winthrop Street and Main Street and continuing approximately 39 feet in an East direction. Installing +/- 39ft PVC conduit and 3-#6 cable to feed traffic signal cabinet for the town of Winthrop that will be located at Northeast corner of Winthrop Street and Main Street intersection coming from existing pole #844. All civil work will be done by town of Winthrop's general contractor dec corp. Winthrop, MA.

I hereby certify that the foregoing order was adopted at a meeting of the
